

DISDH - iPad Terms of use

Most important rules for the use of iPads at DISDH

1. Non-compliance with these terms of use may lead to disciplinary measures.
2. At the beginning of the lesson, the screens of the iPads are off. The iPads remain closed until the teacher allows them to be used. Alternatively: The iPad may only be used for teaching purposes after consultation with the teacher. The teacher decides if, when and how the iPad is used.
3. During lessons, apps/websites may only be used according to the instructions of the teacher.
4. No unauthorized internet research may be performed during class, e.g. to answer questions of the teacher.
5. The use of all apps that are not school-related (game apps, online games, social networks of any kind) is strictly prohibited both in class and during breaks.
6. Outside of class, the same regulations apply to the use of iPads in school as to the use of cell phones.
7. The use of the iPad outside the classroom requires the consent of a teacher.
8. The iPad is always on silent during the lesson.
9. The iPad must be logged into the DISDH WLAN "MDM", as the teachers control the devices via Apple Classroom. (WLAN "Guest" of DISDH or flight mode are not allowed).
10. iPads must always be brought to school with sufficient remaining battery life.
11. Bringing the iPad does not release the student from the obligation to bring all other required textbooks, workbooks and writing utensils.
12. On the school grounds, everyone is responsible for their own device and takes care of it independently. When leaving the school grounds, the iPad will be taken home.
13. Private photos, films, music and other media content should not be stored on the device if they contain racist, pornographic, violent or defamatory content.

14. It must be ensured that sufficient free storage space is available for school work on the iPad at all times.
15. Photos, films and audio recordings may only be taken on school premises with the permission of a teacher and exclusively for school purposes.
16. Recordings (photo, video, sound) of other persons without their express consent are prohibited.
17. Sharing of private files (photos, music, videos, games, etc.) is not allowed at school.
18. In case of any irregularities, non-functionality or other errors of the iPad, the IT coordinator will be informed by email as soon as possible:
it-koordinator@disdh.nl.
19. The user respects the password policy of DISDH, including length and content of the password.
20. The user will not remove, randomly change or share the password.
21. Passwords are never written down or stored elsewhere (e.g. cell phone).
22. The iPad shall not be used in any manner or for any purpose that is inconsistent with the policies, goals, or vision of DISDH or for any purpose that may harm the image/reputation of DISDH, or for any purpose that exceeds the bounds of decency and morality.
