Please take note of the column which whether a book is being purchased for one or more years. This will prevent unnecessary multiple orders. We ask you to please compare ISBN numbers as new editions of books as indicated by the ISBN number are required for class.

To make a small contribution toward environmental friendliness, DISDH is not offering plastic protective covers. Thank you for your understanding.

If you are interested in used school books, please contact Ms Keller from the school library (bibi@disdh.nl).

In some subjects, e-books are also available to supplement the books. You will receive more detailed information about the possibility of buying e-books at the beginning of the new school year. Please note that you **must keep the school book invoice** in order to purchase the licences at a later date.

Kind regards,
